An Efficient Remedy

In all cases of Bronchial and Pulmonary Affections is AYER'S CHERRY PECTORAL. As such it is recognized and prescribed by the medical profession, and in many families for many years past forty years, it has been regarded as an invaluable household remedy. It is a preparation that only requires to be taken in a few spoonfuls at a time, and when it is administered in the early stages of a cold or cough will effect a speedy cure, and may, very possibly, save life. There is no doubt whatever that

Ayer's Cherry Pectoral

Has proved the lives of great numbers of persons, by arresting the development of Laryngitis, Bronchitis, Pneumonia, and Pulmonary Consumption, and by the cure of those dangerous diseases. It should be kept ready for use in every family where there are any children, as it is a medicine far superior to all others in the treatment of Croup, and all affections of Whooping Cough, and those of Cold and Influenza, ailments peculiarly incident to childhood and youth. Promptness in the use of this medicine of this class is of the utmost importance. The loss of a single day may, in many cases, entail fatal consequences. Do not waste time in seeking for a remedy with medicines of doubtful efficacy, while the malady is constantly gaining a deeper hold, but take at once the speediest and most certain of cure.

FRANKFORT BOUNDABOUT.

Entered at the post-office at Frankfort, Kentucky, as second class mailable matter.

GEORGE A. LEWIS.

Editor and Publisher.

FRANKFORT, APRIL 17, 1886.

Mr. Dan Kenedy, flagman in the yard at the depot, was so unfortunate as to get his right hand caught between the draw heads of two freight cars he was endeavoring to couple Saturday morning and had the first finger badly mashed.

The week of prayer will be observed at the Christian Church next week. Rev. Mr. Cobb having notified Rev. G. S. Darsle that he would not be able to come to assist him in his protracted meeting until a week later, that meeting will not be commenced until week after next.

Col. S. I. M. Major, our Representative, has passed through the House of Representatives on Monday a bill repealing the act requiring all persons to pay their city taxes and register sixty days before the election in order to be eligible to vote for Councilmen for this city. If this move is intended to help Col. Major into the Council next December we fear he will be left.

The body of Mr. Clint. Sullivan, the tailor, who has been missing since Monday night of last week, was found Wednesday morning hanging to a bush on the river bank near the mouth of Benson a short distance below where it is supposed he fell in. An inquest was held over the remains Wednesday by Coroner Phythian and a verdict of accidental drowning returned. The funeral took place Thursday afternoon in Belle Point.

Jerry Little, one of the leaders in the celebrated Breathitt county feud of several years ago, who is said to have had so much lead fired into his carcass during his many fights, that he cannot swim in water, was in the city the first of the week, having come down on a raft of logs. He swore off drinking about two years ago and has since been a quiet law-abiding citizen. His father, Jason Little, sr., also came down with the party.

In tearing down the wall of the northeast corner of the old Public School building Tuesday morning, the deposit in the cornerstone, placed there with Masonic ceremonies by Dr. J. M. Mills, acting as Grand Master, in April, 1838, was brought to light. It was incased in a tin box and deposited in a cavity in the stone work of the foundation. The top of the box had rusted through and many of the articles were so badly decayed as to be almost unrecognizable and some of them entirely so. The contents consisted of a copy of the semi-weekly Frankfort Commonwealth, of April 26, 1867, containing the law under which the school was organized, entitled "An act for the better organization of the Public Schools of the City of Frankfort," and a copy of the same paper of April 10, 1838, and of the Kentucky Yeoman of April 16, 1868; ten cents in paper; ten cents in silver; a Confederate 2 cent bill; a nickel of the coinage of 1868; a Canadian copper coin of the size of an old fashioned one cent piece; a French coin of the same size and metal; a set of county annual per capita school tables; the report of Z. F. Smith, superintendent of Common Schools, for the year 1866; proceedings of the 3d annual session of the State Teachers Association held in Bowling Green and Mammoth Cave, July 30 and 31, 1867; a copy of National School of Science, by Gilman, a special report on the Common School system of Z. F. Smith, for the year 1867; report of Institution for the Education and Training of Feeble-minded Children for 1866-67; a small Bible, and a list of the officers of the State, county, and municipal government. The paper on which the latter was written is badly decayed and the ink faded out, so that only a word here and there can be made out, so as to enable one to tell what it is.

Mr. John Haly, one of the contractors for removing the walls, brought the box over to Mr. W. S. Dehoney, secretary of School Board, and it is now on exhibition in his store.

Soda water, ginger ale and mead constantly on tap at J. Weitzel, Jr's.

Jas. Heeney has just received 5,000 pounds of Lexington flour. Call and try it.

A number of large fish have been caught in Brown's bottom in the last few days, having been left there by the receding back water from the river, which came around in there during the recent rise.

Some handsome improvements are being made upon the Baptist Church. A niche for the organ is being built in the south wall, near the pulpit, beautiful stained glass windows and new pews are to be put in.

Mr. Jerome Weitzel, Jr., has opened his ice cream saloon for the season and will keep constantly on hand all kinds of ice cream and sherbets, and will be pleased to have his friends call and see him. He also has his soda fountain in operation and is ready to furnish a cooling drink to the thirsty, either soda, ginger ale or mead.

The City Council on Tuesday night rescinded their action in regard to the school building. In view of the fact that the committee have advertised for plans and they will have to be paid for when presented by the architects, it strikes us as childish to go back on their action now. This is an exceedingly important matter, in which the entire city is deeply interested, and our citizens have a right to expect their representatives to legislate for the best interests of the city and not like a lot of children, who wish to vent some personal spite.

Owen LeCompte, son of Mr. Wm. LeCompte, who lives near the Forks of Elkhorn, was in town Thursday and gave an exhibition of an electro-magnetic, or some other unusual power possessed by him, before a small company of gentlemen at the Court House. He is a lad of about fourteen years of age, slightly built and with but little natural strength, yet he could let the strongest man place an ax handle on the floor and attempt to hold it down with hands and knees, and then with little or no effort pull it away from him. If some one would sit in a chair, place the ax handle against their knees, hold on as hard as they could with both hands and get another man at each end of the stick, all endeavoring to hold it down, he would take it by the middle and raise it as high as his head. These together with some of the feats with chairs performed by the Georgia girl he could do with apparently no effort. He has been possessed of the power about four years, but has never given a public exhibition before, and was somewhat timid. When trying these experiments his fingers would become as cold as though lifeless. He is a remarkable youth.

Mr. W. L. Graham was summoned to Lagrange Thursday by the dangerous illness of his mother, who is visiting her daughter, Mrs. M. J. Clark, near that place.

Mrs. A. G. Morris, who has been making her home in this city for several months, left Wednesday morning for Lynchburg, Virginia, to join her husband, who has gone into business with Mr. A. G. Alstrom in that city.

MARRIED.

OBITUARY.

IN MEMORY OF J. J. PARKER.

Patrick J. Parker, one of the best and most highly educated men in the state, died at his daughter's residence on the night of the 2d instant, his death being that of a sufferer of so many years of consumption and other painful diseases. He contracted a severe cold and thoughtlessly neglected it in its early stages, and as a result of this carelessness, and neglecting his health, he sought the climate of Florida and thence went to Colorado. His relief, however, was but temporary, and as the result of his birth to pass his remaining days on earth among those who were near and dear to him, he was brought by his son, Mr. W. L. Parker, to the prime of manhood. Though but twenty-three years of age, "Pat" Parker, as his associates and legion of admirers called him, was a good Christian, and when that is said all is said. But it is only just to say that he was a man of high character, a man of great charity, charitable, amiable and modest in all his works and ways, with abundant means of even blemishes of which he had few, and none of them serious. At his funeral, which took place from the Church of the Immaculate Conception, Rev. Father Young eulogized his life and character in terms that fully endorsed the high reputation he had won. His grave was tastefully decorated with rare and exquisite flowers arranged in many forms, and the services were conducted with the best of taste and in the most appropriate manner.

The remains were interred in the cemetery of the Immaculate Conception, and the services were conducted with the best of taste and in the most appropriate manner.

The grave will be shown to all.

And gentle zephyrs linger there.

And off the distant, mooring wave.

Will breathe for him a gentle prayer." D.

Ayer's Cathartic Pills are suited to every age. Being sugar-coated they are easy to take, and though mild and pleasant in action, are thorough and searching in effect. Their efficacy in all disorders of the stomach and bowels is certified by eminent physicians, and many of our best citizens.

A. Dilger sells Lexington flour. 2t.

Perfect soundness of body and mind is possible only with pure blood. Leading medical authorities endorse Ayer's Sanspareille as the best blood purifying medicine in existence. It vastly increases the working and productive powers of both hand and brain.

Ask for Lexington flour and take no other.

A grand display of pattern hats and bonnets at Mrs. Hallinan's Thursday.

S. Klass, the clothier, better known as Cheap Joe's Old Fellow's building next to Buckley's, has just returned from a trip to Cincinnati, in both of which cities he purchased large lines of auction goods, in trunks, clothing, hats and shoes, and gent's furnishing goods, which he is selling out at any price.

Joe LeCompte wants every one of his friends to try his flour.

As an Englishman's Testimony.

I feel it my duty to the thousands

who suffer from Blood Poison to give my experience with that horrible disease and the wonderful effect of Swift's Specific in its treatment. I am a native of England, and while there I contracted this terrible disease, and for two years suffered from its treatment at an old dear patient at Nottingham Hospital, but was not cured. I suffered the most agonizing pains in my bones and was covered with sores all over my body and limbs. I had vertigo and deafness, with partial loss of sight, severe pain in my head and eyes, which nearly rained me crazy. I lost all hope in life, and was about to give up.

Heard of Swift's Specific through a friend in New York. I took six bottles of S. S. and can say with great joy that they have cured me indeed. I am as sound and well as I ever was in my life. I was so proud of the cure that I wrote to Gloucester, England, to a old companion who is serving in the American Cavalry, and the doctors call it caused by Blood Poison. He has arrived here and is taking S. S. with marked benefit. I confidently believe that in a short time he will be entirely well and that after having passed through the best medical hands in England without any success.

The Lexington Roller Mill sent down on Friday a car load of flour.

Mr. J. M. Norris, an old resident of Frankfort, says that he had been badly troubled with Kidney Complaint for a great many years, and at times could scarcely walk and had tried many remedies without benefit, until he began taking Electric Bitters and anointing his hands and feet with Buckley's America Salve. This treatment has given great relief and he strongly recommends Electric Bitters to all who suffer with Kidney Complaints, or need a Blood Purifier. Sold by Joe. LeCompte.

FRANKFORT ROUNDABOUT.

We are indebted to Mr. Geo. F. Berry for a copy of Phillips' newspaper rate book for 1885.

The alleys of the city should be cleaned up. They are all in a horribly filthy condition.

Mr. Darsie will preach to-morrow night from the text, "Whoso breaketh a hedge, a serpent shall bite him."

After having been silent for the past two weeks, the town clock is again "on a strike." It is to be hoped it will keep it up.

Hon. Fountain Fox Bobbitt and others will address the Blue Ribbon Club at the Court House Tuesday evening next, at 8 o'clock.

Alex. Rodman, colored, was lodged in jail Monday by Sheriff Gaines, there being three indictments against him for selling liquor to minors.

Mr. Wesley Gaines, an old citizen of the Peak's Mill precinct, and an uncle of Sheriff John W. and Mr. W. T. Gaines, of this city, died Thursday night of dropsy.

A man walked a tight rope stretched across Main street, from the top of the Opera House to the top of Averill's drug store, yesterday afternoon, and a large crowd was drawn into the street to see him perform.

An excursion train will be run from Lexington to Louisville to-morrow for the purpose of giving the lovers of base ball a chance to see the game between the Louisville and Cincinnati Clubs. The train will leave this city at 9:15 in the morning and returning will leave Louisville at 7:50 in the evening.

Mr. P. B. Lillis, formerly of this city who is now farming in Shelby county, writes that he had a cow to drop three heifer calves on Friday of last week. All of them are doing well, and have attracted a great deal of attention, people riding miles to see them. Pat thinks that raising stock at that rate beats the express business in this city to smother.

The Methodist ladies will hold their Exchange, on Saturday, April 17, at the offices of the Singer Sewing Machine Company, corner Main and Ann streets, during the hours from 11 a.m. to 6 p.m. The following ladies will furnish supplies for same: Mrs. J. J. Quin, Mrs. J. M. Case, Mrs. W. B. George, Mrs. Vinton Simms, Mrs. G. P. Gillam, Mrs. E. S. Theobald, Mrs. E. H. Taylor, Jr., Miss Mary A. Gayle, Miss Sadie Tanner, Miss Christine Whitehead, Miss Mattie Jones and Miss Emma Kavanaugh.

Frankfort Commandery, No. 4, elected the following officers Thursday evening for the ensuing year: Jas. A. Murray, Commander; V. A. Kaltenbrun, Generalissimo; Henry Wilson, Captain General; J. R. Stafford, President; D. M. Woodson, Senior Warden; Russell Sneed, Junior Warden; F. V. Gray, Treasurer; W. S. Dehoney, Recorder; Peter Light, Standard Bearer; W. S. Caplinger, Sword Bearer; J. W. Fruett, Warden; Sanford Goff, Guard.

The Life of Judge Richard Reid is almost ready for distribution. It is written by his wife, Elizabeth Jameson Reid and published by the Standard Publishing Co., Cincinnati. It is a beautiful book of 600 pages, and promises to be a biography of thrilling power. The tragic end no less than the spotless life, gives it for all a melancho-ly interest which will cause the book to command a large and rapid sale. Mrs. R. S. Watson has the agency for Frankfort and vicinity and will at an early day give all an opportunity to possess it.

We would respectfully call the attention of the City Council to the wet weather pond on Cross street. It has stood water in it now than at any time since the flood of 1883, and is likely to produce any amount of sickness. That portion of the city in which it is located has been built up rapidly in the last few years, and the evil effects of this pond are being felt more and more as the population increases. It will have to be drained sooner or later, and there is no reason why the City Council should not have a sewer constructed from it to the river at once.

A Card.

To the voters of the late primary election: I desire to return my sincere thanks to the voters of Franklin county for their kind support, and especially to those who worked so earnestly in my interest.

N. B. SMITH.

Saudrille.

Spring is at hand, the song of the bird is heard, the fields wrapped in their beautiful foliage. Beautiful to behold.

Superstition is, that the war of the fox seekers of Franklin county has subsided at present, so has the money amongst the poor and miserable that allowed themselves bought into the ranks on the gorged field of battle.

At Harveland, on the 8th inst., a team or rather a span of horses hitched to a wagon, ran away from the mill, took the animal to a quiet spot, which frightened them so much, passed by the post-office where there were several men standing, who tried in vain to stop them. I have not been able to ascertain whether they were injured or not.

Mr. Joseph Peyton, of Horseshoe Bend, was able to get to the polls and vote, which was a surprise to many. He had had consumption in a bad stage for more than a year. He had a large of the poll books as clerk, from a young man, Bald Knob for more than a quarter of a century, and carried at the time his disease took hold of him. Who can take his position? We shall certainly remember this good and faithful servant while our existence here on earth lasts, and know that he is a better and brighter world above.

The time is now as it ever has been for the faithful and true to be remembered.

Pea Ridge.

Oats looking well. Farmers getting ready for corn. Weather warm and spring like. Mud plentiful.

Mr. Willie Pierce's baby is better.

Pea Ridge Sunday-school was organized last Sunday, with Mr. Alfred Reed superintendent. Mr. Will. Zook secretary and Mr. James Tracy, treasurer. A full attendance requested to-morrow (Sunday) at 3 p.m.

The Bridgport correspondent missed very much adding by not being there, which in fact and itself had but few equals in the language. It was delivered

by a traveler, a few days ago, to a piece of fence which shuts up the road from Evergreen church to Franklin church. Then he went to Evergreen church, and from there to Evergreen church to Bridgport and along Shelby pike to the point where the address was delivered, a distance of 6 or 7 miles. If the road overseer or some spirited citizen would post a notice at the cross roads, giving notice that the road was closed, it would give a great loss of time and loss of temper.

Some years ago an attempt was made to shut up the road leading from this village Frankfort, which move was promptly met, resisted and defeated by our citizens. The road was then closed for a time. Ever since then the residents of our village have been suspicious of every act of the court relating to roads, as though they feared a conspiracy to prevent them traveling, or some other thing, which they wanted to do. If there is one thing more than another our people are noted for, that no persuasion or flattery was ever able to move them an inch in the way they didn't want to go. And if you wish to get rid of us, then here's just the place, shut up the country road, for Pea Ridge is about 2 miles from Frankfort and situated about half-way between the Shelby and Devil's Hollow pike.

There is only one other way they can get to their place that by taking the turnpike road to within eight of their turn, then along a lane impassable in wet weather, at the end of which they themselves about far from town when they started, about two miles.

Question

Often asked, but seldom answered satisfactorily: "Is there a remedy known to medical science that will allay the sufferings peculiar to women who are subject to Dysmenorrhea, or the attendant disorders?"

ANSWERS If you have not tried it, do so AT ONCE.

Read what an eminent physician has to say upon the subject:

"I have had the most gratifying results from the use of Tongilite in cases of Dysmenorrhea. In the case of a lady of my acquaintance, who has suffered from this disease for years, and been almost to the verge of insanity by her monthly sufferings, its action has been most satisfactory. It relieved me of all my symptoms, and I have been perfectly well for a period with but little discomfort. I have had other instances of a similar character, but this is a remarkable case." — D. F. FRAZER, M. D.

ROUNDABOUT—Supplement.

FRANKFORT, KY., APRIL 17, 1886.

Forks of Elkhorn.

Mrs. Murry is quite sick.

Miss Sallie Warren is reported sick.

April so far has fooled even the weather prophets.

The 5th and 6th of April, 1886, will be long remembered.

Mrs. Loyd Featherston and Mrs. James Gallahue have been quite sick.

Mrs. Fanny Allen arrived home from Kansas City, Missouri, last week.

Mrs. W. H. Wilkerson, of Scott county, was down here last week, visiting her daughter, Mrs. Loyd Featherston.

Mrs. G. C. Hughes arrived home last week, from a prolonged visit in Ohio; and has been sick ever since her arrival.

The extreme bad weather we have had has caused considerable sickness in our community, even our defeated candidates are complaining.

The members of Mt. Pleasant Church are requested to be at the regular Church meeting, on the fourth Saturday in this month, as business of great importance must be attended to.

Herod Harris and John Handy, two negro boys, got into a difficulty last Sunday night here. Harris stabbed Handy in the side near the heart with a knife. Fortunately the wound was not deep enough to make it fatal. Harris was arrested, and fined \$15.00 and costs.

The reason why our items did not appear last week was that the *new* *Forge* *for* *young* *men* *of* *Woodlake* *city* *carried* *them* *in* *his* *pocket* *from* *Thursday* *morning* *until* *late* *Friday* *evening*. We predict that he will never marry because he will surely forget the day. *Arise, whoo.*

The grand jury should be notified of the conduct of some young men in this community; their behavior in and around the bridge last Sunday evening. Will the good people here stand such conduct? Let the law take its course for once, and see if things will not be a little better in the future.

The following officers and teachers were chosen at the organization of the Forks of Elkhorn Mission Sunday School here on the first and second Sundays of the present month. John H. Burdin, superintendent; T. C. Cannon, assistant superintendent; Miss Sallie Ready, secretary; Miss Katie Cannon, treasurer; Librarian vacant. Teachers: of infant class, Miss Katie Cannon; of primary class, Mrs. Sarah Featherston; of juvenile class, Mrs. Wm. Bedford; of intermediate class, none; one of high class, Mr. Wm. Bedford. The comprehensive or advanced class will be taught by the superintendent, or assistant, of the Bible class. Miss Bettie Jones. School meets at Stedman's hall every Sunday evening at three o'clock. Everybody invited, and contributions solicited in behalf of the mission work. May God bless the work and those who contribute to its support.

Bloomington.

Born.—April third, to Mr. and Mrs. John Haydon, a daughter—Mary.

Mr. Noy Johnson left Saturday on a flying visit to friends in Shelbyville.

Miss Biddle Wallace spent Sunday visiting her friend, Miss Katie Duvall.

Rev. John Cannon, of Scott county, spent Monday visiting the family of Mrs. Ellen Flynn.

Mrs. Donie Kring and Jimmie Carr, youngest son of Mr. James Carr, are on the sick list this week.

Mr. Sam Reading has moved his family to his residence about one-half mile from our village.

Miss Birdie Webster returned home Sunday from Woodford where she has been attending school for the past three months.

Mariel.—Thursday, the 8th, at the residence of the bride's father, Mr. John Malcom, Mr. Roland Walters and Miss Lina Malcom.

Died.—Friday, the 9th inst., Mrs. Hannah Gravitt, widow of the late George Gravitt, aged sixty-four years. Mrs. Gravitt was a well known christian lady, having been a member of Bethel Baptist Church for the past forty years. She leaves a large family of children to mourn her loss, who, we hope, may feel that she is

“Asleep in Jesus, blessed sleep, From which none ever wake to weep.”

The funeral took place from the family residence Sunday at two o'clock, services conducted by Rev. John Cannon, Leo.

Stoney Creek.

No wedding this week sure.

Farmers are all idle on account of the wet weather.

Mr. Doe Kerbie, we are sorry to learn, is no better, if anything worse.

Miss Malisia Moore, who has been visiting relatives on Stoney Creek, returned home a few days ago.

Mr. J. J. Smith, Jr., visited his cousin, Mr. Henry Moore; last Saturday and Sunday, and a number of other friends on Cedar Run.

Mr. Jessie Smith and wife, and William Smith and wife visited A. J. Greenwell and family Sunday.

Mr. Jas. M. Flack, of Bald Knob, spent four days this week with his nephew, A. J. Greenwell.

Mr. J. J. Smith, Jr., is building a car for the purpose of taking pictures. Mr. J. J. is a No. 10 photographe.

Mr. Doe Quinn and wife visited Mr. Jep. Barden and family Saturday and Sunday.

The Hickory Grove correspondent did not have time to write last week. I guess attended the wedding in the place of Flag and Still.

Mrs. Maria Braaer has been ill for several days, but is improving.

The boys say that they took Payne killer until the 3d, but now they drink Smith's tonic.

The election talk is still raging. It is all about the combination.

Mr. J. S. A. Violett says he was beaten fair and square. Mr. Violett is a clever gentleman. We hope we can help him to some higher office, as he made us the best attorney we have ever had.

Harp.

Born.—To Mr. Thomas Hazlewood and wife, near here, April 9th, a fine son; weight 9 pounds.

Mr. Wm. Harper has a splendid milk cow he wished to sell. Anybody wishing one would do well to come and see her.

Mrs. O. B. Polsgrove, A. B. Polsgrove and wife, W. S. Polsgrove and wife, and H. D. Harrod and wife, are visiting at Mr. Henry Polsgrove's to-day.

Still raining. Farmers have done but little plowing yet and not much prospect for any. If it don't stop raining pretty soon they will be into with their spring work.

We are to have two schools in this place, commencing to-morrow, one by Mrs. Dr. Wilson and one by Miss Mary Bell Seaman, of Frankfort. If the children of this district don't get an education it will not be for want of schools.

Our town is improving very fast. Rev. J. Peters is having his house fixed up, which adds to the appearance of it very much. Messrs. Hugh Burns and John Perkins contemplate building a saw and grist mill as soon as they can buy the machinery.

Some of our boys have got very long faces over the election. They should take their defeat easy and prepare for the next time. The worst thing about their defeat is, it was done by voters from Henry, Shelby and Woodford counties and mountain rustsmen. When Franklin county can't be beaten, it is when the other counties think it is time to quit. Whisky, money and corrupt men in our elections are fast demoralizing our country and I think it is time to put a stop to it before the rising generation is ruined for ever.

Mr. Editor—I would like, through your columns, to call the attention of our Representative, as well as the citizens of Franklin county, to the number of ex-convicts that are citizens of our county. Some time back I heard a citizen of Frankfort say, that some ten years ago, on the occasion of a friend making a race in the city of Frankfort, he investigated the negro voters of the town and found more than one hundred ex-convicts among the negro population. What must the number be now? I do not think, for a moment, that all ex-convicts are bad men, on the other hand, many are sterling men, who, in the heat of passion, have committed acts, repented of as soon as done, that have rendered them amenable to the laws of their State. But we must admit that many of them are bad men, beyond the hope of reform. They make their homes here among us. Some from choice, others from lack of means to reach their former homes. After a short time many of them come to the front again, either in the Circuit or Police Courts. By this means Franklin's criminal list is made much larger than it should be, besides adding greatly to the cost of criminal prosecution, just as much more than we would otherwise have. We can produce as many bad men as we have need of, at home, without having to import from all parts of the State. Every one, I care not who, has more or less influence, that they exert on one or more persons; if

for good, all right; if for bad, all wrong. I believe it is now the custom to release the prisoner, at the prison door, with a small sum of money, that in many instances is inadequate to take him home. In place of this procedure, would it be any more than just and right for the State to return all prisoners to the counties from which they were sent.

I have heard that there was a law covering this point, but have not been able to find it. If not there certainly should be one, in justice to Franklin. Would it not be well, before the close of the session, for our Representative to investigate the matter? JUSTICIA.
